## CONEY ISLAND STAKES.

The list of stakes advertised in today's issue by the Coney Island Jockey Club is one of remarkable munificence. It is estimated that the gross values of the stakes now advertised, to be run off at the Club's June meeting of 1904, will be as follows:

For two-year-olds—	
Name of Stakes.	Value.
The Great Trial	\$25,000
The Double Event	20,000
The Foam	6,000
The Surf	6,000
The Zephyr	5,000
The Spring	5,000
The Vernal	5,000
For three-year-olds—	
The Lawrence Realization	28,000
The Tidal	20,000
The Mermaid	7,000
The Swift	6,000
The Spindrift	6,000
For three-year-olds and upward—	
The Suburban	20,000
The Commonwealth	18,000
The Advance	15,000
The June Handicaps	15,000
The Equality	6,000
The Thistle	4,000
Steeplechases—	
The Beacon	5,000
The Independence	4,000
Total	\$226,000

This is an offering not to be duplicated by any other racing organization in this country and one that loudly demands patronage in line with its striking liberality. Entries close January 4, 1904, and Daily Racing Form is ready to furnish entry blanks to all applicants.

## YEARLINGS AT MEMPHIS.

"Perfect weather and a fast track last Saturday afforded horsemen at Montgomery Park ample opportunity to try out their youngsters which will become two-year-olds on January 1, and from trials recorded since the beginning of the winter season it is evident that Christmas will be celebrated by a majority of owners who own one or more colts or fillies destined to shine in competition," says a special from Memphis to the Enquirer.

"C. C. Christie, president of the Kansas City Jockey Club, paid a recent visit to the track and watched satisfactory quarters and three-eighths reeled off by several members of his kindergarten band in charge of Richard Benson. Effort is being made by the Missouri man to purchase some older horses to add to his list of nineteen juveniles.

"The fastest furlongs accomplished by any of the known or unknown yearlings is credited to fillies owned by G. C. Bennett and H. L. Coleman. The Bennett baby brigade are all home bred. There are some of the string that possess size and substance, and all were bred and foaled at the Bennett farm, Ridgeway, near Montgomery Park. A sister to the Bennett colt, King's Charm, has reeled off a quarter in about as fast time as has been caught, which was less than 0:24, for the distance.

"There are a couple of fillies in H. L. Coleman's stable which have attracted considerable attention when working on the track. Coleman is a wealthy Memphian, whose ambition to succeed in the turf struggle was inspired by the success of J. W. Schorr. Coleman's colors will be registered for their first racing season in 1904, and the filly which is being handled by trainer Frazee has worked so well that efforts have been made by J. W. Schorr and S. C. Hildreth to buy her. She is by Octa-

gon, but as there is another filly by the same sire in the barn of the dam of the good daughter of Octagon is a mystery to railbirds.

"In J. W. Schorr's extensive string of young blood are fillies and colts bred in several states. Mr. Schorr's favorite stallion, Esher, having died, he was forced to buy different blood lines for his 1904 crop of two-year-olds. He has several daughters and sons of Top Gallant, one, a brown colt out of Bonnie Bird, by Boulevard, which has showed a great deal of speed. Joe Hawkins has the Schorr set in charge, and while they have not caused themselves to be talked about as much as the Schorr representatives did at a corresponding period in 1902, Hawkins and Schorr take this as indication of good racing results, for last season Schorr was by popular anti-season vote, given a mortgage on all juvenile events east or west in which he might be represented. The Schorr phenomenon went east, and with the exception of Sweet Gretchen and a few others they failed to live up to their reputations established from their dizzy preliminary trials at the local track.

"E. R. Bradley has one of the best looking bunches of young timber seen at Memphis in several years, and a colt by Handsel—Battle Belle is regarded as very promising. "Charles Ellison paid \$2,000 for a colt by King Eric—Princess Revenue, and he has shown quality in preliminary work. S. S. Brown seems to have a fast youngster in Kernel, a son of Sir Dixon—Nutchell. James Arthur paid \$900 for the unnamed colt by Dungarven—Lyndall, and some speed has been shown by him. Bub May owns a filly by Farandole—Josie O., that has worked well. W. M. Wallace has a few youngsters, and some promising material is to be found in the Tichenor string. In the latter outfit is a brother to Jaubert."

## GOSSIP OF THE TURF.

Seth Jacobs increased his string at New Orleans last Monday by the addition of the two-year-old Banwell, which he purchased of Charles Ellison. Last spring, during the Memphis meeting, Jacobs bought Banwell of Joe Hawkins for \$1,500. Ellison liked the colt, and Jacobs let him have it at the same figure which he paid for him. Banwell afterward developed into a bleeder. Banwell has been heavily backed by Ellison in most of his recent races. After his disappointing exhibition Monday Ellison offered the colt back to Jacobs for \$325, and the offer was promptly accepted.

Mc, Chicago. (1) The "about" six furlongs course at Gravesend is 165 feet short. (2) The New Futurity full course at Sheepshead Bay is seven furlongs in length. (3) The Withers mile at Morris Park is an exact mile. (4) The Eclipse Course at Morris Park is three-quarters of a mile straight. (5) The Futurity Courses at Oakland and Ingleside are 170 feet short of three-quarters of a mile. (6) There is no Futurity Course at Morris Park.

M. N. Macfarlan, secretary of the New Memphis Jockey Club, left Memphis last Monday for Louisville and Lexington in the interest of the stakes for the spring meeting at Montgomery Park. Increased added money in a majority of the stakes and larger purses and overnight handicaps than in previous years have been substituted, and a record-breaking list of entries is expected by the Memphis association.

Winner—B. f. by Kantaka—Himvara (trained by M. T. Danaher).  
Went to post at 2:00. At post 5 minutes. Start good. Won driving; second easily. Silvermeade came wide at the turn into the homestretch and caught Docile tiring in the stretch run and had to stand a hard drive all of the last sixteenth to stall off a challenge from Trossachs. The latter finished fast and was catching the winner at every stride. Tribune got away all tangled up, closed a big gap and finished with a rush and just managed to get up in time to nose Docile out. The latter was much used in going to the front in the run down the backstretch and might have been a stronger contender with a more judicious ride.

Overweights—Trossachs, 2½ pounds; Echinate, 1½.

Winner—B. g. by George Kinney—Princess (Princess Louise) (trained by A. Zimmer).  
Went to post at 2:35. At post 4 minutes. Start good. Won driving; second the same. Little Jack Horner was well ridden. Fuller took the short route with him, saved ground at the turn into the homestretch and outfinished Cochran on Sadducee when the final drive came. The latter was outrun in the first quarter and had to go around the leaders on the outside to get up, had Little Jack Horner beaten seemingly at the sixteenth post, but tired in the last few strides. Scorpio dropped back at the furlong post, but came again at the end and was gaining on the leaders. Joe Goss ran to his best form. Tally H made a determined effort at the turn into the homestretch, but tired in the stretch.  
Scratched—43217 Mayor Johnson, 119; 43133 Lady Contrary, 114.

Went to post at 3:06. At post 4 minutes. Start good. Won driving; second easily. Cardinal Wolsey ran to his best form and held his field safe for the entire trip. Robbins rated him along in front under restraint for the first half and he drew away from the field while rounding the turn into the homestretch, but was under a drive all of the last sixteenth. Dutiful ran his race, was wearing the winner down in the final furlong and would have beaten him in another sixteenth. Spencerian finished well and was easily best of the others. Sextette dropped out of it after going a half. Apple Bloom was crowded back at the start.

in the last few strides. Falkland slipped through on the inside at the eighth post and was hard ridden all of the last furlong, but tired at the end. Short Cake was much used in setting the early pace with Lady Walter and showed early speed, but tired when the final drive came. Lady Walter and Edna Edwards ran well to the stretch and were eased up when beaten. Edward Hale closed a big gap after going all around his field and finished fast.

Winner—B. c. by Pontico—Blanche Starling (trained by J. Clerico).  
Went to post at 4:12. At post 4 minutes. Start good. Won driving; second the same. Phillips rated Sidney Sabath along for the first mile, moved up to the leaders while rounding the turn into the homestretch, brought him along fast in the stretch and won drawing clear. Stonewall ran an excellent race and finished gamely. Hayward Hunter moved up fast on the turn out of the backstretch and seemed like the winner at the furlong post, but tired when the final struggle came. Badger set the pace under restraint until well straightened out for home, but tired when Minder called on him. Siddons was outrun all the way and was never a factor. Mary Moore and Nancy Blake tired in the last quarter.

Winner—Br. g. by Meadowthorpe—Maid Bramble (trained by M. T. Danaher).  
Went to post at 4:45. At post 5 minutes. Start good. Won driving; second the same. Mr. Pickwick was outrun for the first half, but came with a rush at the end and outgamed Talhouet in a hotly contested drive. The latter closed up fast while rounding the turn into the homestretch, but tired slightly at the end. Responsive began slowly and went all around the field, closed a big gap and finished very fast. This one is worth remembering. Major Carpenter showed a rare turn of early speed, but ran out at the turn into the homestretch. Escalera quit badly.

Overweights—Mr. Pickwick, 2½ pounds; Glenflo, 1½.

Time, 25, 50, 1:16, 1:23½.  
Winner—B. g. by Bassettlaw—Peril, by Darebin (trained by S. Judge).  
Went to post at 2:03. At post 2 minutes. Start good. Won in a canter; second easily. Brennus, particularly favored by the stiff going, followed the early pacemaker closely to the stretch, where he rushed to the front, winning off by himself and can beat much better ones. Nullah was a prominent contender throughout and finished an easy going second. Illilouon, a slow beginner and shuffled back at the start, closed a big gap and finished with a rush. Bout'nniere tired badly at the end after being well up throughout. Myrtle H. finished going well. Lunga got away badly and tired after making up a lot of ground. Grand SACHEM is still in poor form. Bassenzo made the running for nearly five furlongs before he retired, was palpably short and can beat this kind when fit.

Overweights—Nullah, 3 pounds.

Time, 1:13½.  
Winner—Br. c. by Brutus—All Smoke (trained by W. L. Stanfield).  
Went to post at 2:28. At post 1 minute. Start good. Won driving; second the same. Andrew B. Cook, after running in close attendance on the pacemaker, drew up when straightened for home, and in a long and gamely sustained drive, just lasted long enough to win and ran in much improved form. Young Pepper was always a sharp contender and put up a fast and game effort. Avenger, as usual, began slowly, fell far in the rear in the early running and seemed to be out of serious contention to the stretch turn, where he commenced to move up through the stretch with an electrical rush, was clearly the best and will beat this kind easily over a longer distance of ground. Hoceo showed sudden improvement. Atwood held on better than usual, after a superior display of early speed. The Cure tired badly in the last quarter and was evidently anchored in the going. Miss Ringlets was buffeted about considerably. Instructor can do better, but seems unable to run on this track.

Scratched—42565 Dusty Miller, 105.  
Overweights—Instructor, 3 pounds.

Went to post at 2:54. At post 1 minute. Start good. Won easily; second driving. Mountbank, lucky and vigorously ridden, raced into the lead on the far turn and easily held his field safe to the finish, was much the best and is very good at present. Evander, improved and suited by the stiff going, held a forward position throughout and stayed well in the closing drive. Oro Viva, away poorly and inadequately handled, made up a lot of ground and finished gamely and ran in improved form. Merwan held on steadily and was close up from start to finish. Lurene came from a long way back at the end. Past Master, nearly left, finished running fast. Bedner got away badly. Mr. Phinizy, knocked about from the start and particularly when Dora I. and Oscar Tolle fell, hardly performed up to expectations and was never a serious contender.

Winner—Br. g. by Fresno—Fairystone (trained by A. B. Pomeroy).  
Went to post at 3:25. At post 2 minutes. Start good. Won driving; second easily. Fossil, getting away in the lead, forced the pace throughout and won all the way, but was driving hard and boring over to the inside at the end and was probably lucky to win today. Faulconbridge, probably favored by the stiff footing, was reserved within striking distance to the stretch, where he moved up on the inside and when gaining fast, was frequently impeded by Bullman pulling over on him and in the last half dozen strides, when he appeared like getting up, was nearly put over the fence and should have won today. Divina disliked the track and was unable to stride freely, but closed up at the end with her usual whirlwind rush. Modicum, after a vain effort to keep upon terms with the winner, dropped back into the rack where he held on in steady fashion and ran a game race. Incubator tired after going six furlongs in close attendance on the leaders apparently hard held and is evidently not yet keyed up. Namtor is in great form, but getting away badly and seriously shut off in the early running, he was never a factor until in the final half furlong, where he closed very fast. Jockey Club showed brilliant speed, which he sustained for seven furlongs in going he dislikes. Horatius favors a fast track and acts as if stale.

Fossil, show, 3 to 5. Faulconbridge, show, 3 to 5. Divina, show, 8 to 5. Modicum, show, 2 to 5.

## ST. BLAISE TRIED AGAIN.

"Among the entries to the Hopeful Stakes of 1906 to be run at Saratoga are a half dozen which are of peculiar interest," says the Morning Telegraph of Dec. 21. "They are the nominations of the anticipated produce of the union of the once great St. Blaise with Lady Violet, Ortegale, Fetish, Souveraine, Souriante and St. Eudora. When Mr. August Belmont purchased the old horse at the dispersal sale of the Fairview Stud it was assumed that the taking back of the Derby winner to the Nursery was the ensuring of a home where his later years might be passed in comfort. The phenomenal success of his first crop in this country and his sensational sale to Mr. Charles Reed for \$100,000 had been followed by years of comparative failure. Many reasons were offered in explanation, the most general being that the matrons at Fairview were not so suited to him, as were the Nursery mares, and that some theories held by his owner were not conducive to the best results, however admirable they might be as illustrating the tenacity of their holder to his convictions.

"There were others, thoughtless or superficial, who pointed out that St. Blaise at the stud was but a brilliant flash, as they argued he had been as a racehorse, forgetting that, however disappointing his career after he had won the Derby and finished a good second in the Grand Prix, he certainly had been tried highly enough for the Derby to justify his owner in believing he could win. In that trial, carrying 118 pounds, he beat Shotover, with 124 up, six lengths. This was the year after Shotover had won the Two Thousand Guineas and the Derby. Geheimniss, also a four-year-old and an Oaks winner, was also in the trial, and finished a length behind Shotover. It cannot be conceived that both these great mares were off, or, if they were, that they would have been used for trial horses with a Derby candidate on the eve of the most important engagement in his career. Still, this notwithstanding, St. Blaise, for some reason—his stable saying muscular rheumatism—was not a success after the two great races in which he achieved his only fame as a racehorse, and this probably accounted for the elder Mr. August Belmont being able to

induce his owner to sell him. He paid \$15,000 for him."

## NASHVILLE STAKES.

Stakes for the Cumberland Park spring meeting, April 21 to 30 inclusive, have been announced. Five added money events are offered, of which the Derby, one and one-eighth miles, \$2,500, is the feature. The purses and handicaps will also be increased, the association hanging up in all \$23,000, an average of more than \$2,500 daily for the nine days. Entries will close January 25, 1904. The list follows: Cumberland Derby, \$2,500 added, for three-year-olds, one and one-eighth miles; Citizens' Handicap, \$1,500 added, for three-year-olds and upward, one mile; Gerst Selling Stakes, \$1,000 added, for three-year-olds and upward, one mile and seventy yards; Avondale Stakes, \$1,000 added, for two-year-olds, five furlongs; Belle Meade Stakes, \$1,000 added, for two-year-old fillies, four and a half furlongs.

## GOSSIP OF THE TURF.

In the dissolution of the partnership of J. C. Rogers and J. C. Milam, the Lexington racing firm, the former has sold his interest to Milam in the brown colt Toupee, by Tenny—Flores, by Victory, and a chestnut yearling filly by Goodrich—Melody, by Longfellow. Price private. The filly is a half sister to Prince of Endurance and Harry Beck.

When David Gideon and William Lakeland met in the corridor of the Hoffman House, New York, recently the greater part of their conversation had to do with the question of jockeys. "I am going down to New Orleans about the middle of January," said Mr. Gideon, "and I shall try to pick out a young and suitable rider for my stable next year. It's as hard nowadays to get a good jockey as to get a good horse, and I have come to believe that the man with a good rider is better off than the man with a horse. By that, I don't mean what you would call a good horse—one in the first flight—for when you get one of that kind you can have all the jockeys wanted for the mere asking. It's the man with a lot of useful horses that finds the greatest trouble

in getting the right kind of jockeys for them, and unless he has a rider of his own he is almost at the mercy of a lot of others. What I am looking for, and he's hard to find, I know, is a useful light lad, whom I can have under my own supervision. New Orleans is a great training school for these boys and every winter there is a good chance to get one of them that has not done enough in public to make him think he is a star."

It has been figured up that the horses owned by James R. and Foxhall P. Keene, both here and in England, during the past season won \$110,000 in stakes and purses. The Keenes stood second to W. C. Whitney in the list of achievements on American tracks. Turfmen say that the Keene's Castle-ton Stud has developed into a veritable mint and could not be purchased for less than \$1,000,000. In addition to the noted stallions Kingston and Horoscope, the Keenes are soon to show the get of Voter and Com-mando. They have thirty-two yearlings which will be trained by James Rowe for next season's campaign.

Stake events for the Kinloch race meeting have been announced, five contests, with an aggregate of \$7,000 added, constituting the features of the spring meeting, commencing April 15. Opening with an Inaugural handicap, \$1,500 added, the list has as its feature the Mound City Derby at one mile and an eighth, with \$2,000 added. Three stakes for three-year-olds and upward, one race for two-year-olds and the Derby for three-year-olds compose the stake list. The Inaugural Handicap will be run the opening day, and is at one mile. The following Saturday, April 23, the Woodlands Trophy, for two-year-olds, with \$1,500 added, and a special cup, donated by Barney Schreiber, will be run. This event it at four and a half furlongs. The Tranquilla Stakes will be run April 30, a handicap sweepstakes for three-year-olds and upward, at six furlongs; \$1,000 is added. The Mound City Derby will be run May 7, at one and one-eighth miles, \$2,000 being added. The Lucas Memorial Stakes, a selling event, for three-year-olds and upward, with \$1,000 added, completes the card. The Mound City Derby is open for entries at \$10 each, with a starting fee of \$50 additional. Entries for all stakes close February 1.

## NOTES OF THE TURF.

Jockey Meade arrived in Chicago yesterday from New York and will remain here for several days, as he said. "to visit friends" before his departure to Germany, Jan. 2. Meade has a contract to ride there for a wealthy banker owning an extensive stable.

Starter A. B. Dade has been re-engaged for the season of 1904 at Kinloch, Delmar and the Fair Grounds, and under the agreement cannot start at Nashville as he did last spring.

Fling, Chicago. 3½ to 1 was the post price at the track against Class. If any betting quotation is entitled to be called "official," it is that which actually was laid at the track.

Pat Dunne has lost by death the yearlings Cutlass, by Pirate of Penzance—Quelta, and Beggars, by Lazzarone—Breakwater.

J. H. Baker & Co. and W. J. Young will ship their strings from Lexington, Ky., to Nashville the first week in January.

Time, 1:11 1/2. Winner—Ch. g, by Shannon—Lulu IV. (trained by V. Gilbert).

Went to post at 2:03. At post 3 minutes. Start good. Won driving; second easily. Troy, suddenly improved, ran in close attendance on Hilary to the stretch, where he moved up and poached a lead on this dilatory favorite and won in the last stride. Oro Viva, shuffled back in the early running and repeatedly interfered with, closed a big gap in the last three furlongs and was easily best. Yellowstone got away poorly and had a rough journey in close quarters, but was steadily improving his position. Hilary gave a nice display of speed for five and a half furlongs and is about due. Floriana Belle ran a fair race throughout. Standard, nearly left, closed a big gap. First Chip was knocked out of it in the early running and will make good on a soft track. Mary Dunn finished well up. Honeyuckle was nearly left.

Scratched—43117 Miss Vera, 108.

Time, 2:41, 48 1/2, 1:14. Winner—Ch. c, by Altamex—Recreation (trained by C. T. Patterson).

Went to post at 2:31. At post 2 minutes. Start good. Won driving; second easily. Rockaway broke in front but was outrun early by Otto Stifel, which he trailed closely to the stretch and finally wore down at the end of a long drive, but was probably lucky to win. Otto Stifel got away flatfooted and showing amazing speed in taking the lead so quickly, showed the way to the final sixteenth where Burns outrode Boland and scored a lucky victory on the more tired horse of the two. Judge, always a quick beginner, got away to advantage but fell away directly and finally found himself in the ruck, from which he singled himself out in the stretch where he finished an eased up third. Anirad held a forward position throughout and ran in surprisingly improved form. Lord Wadsworth received a poor start and closed a gap, but is probably best in mud. Solanus retired after a brief display of speed, is a grand looker and can do better. Creole Jim looks like a good one and is reported to have worked phenomenal trials.

Overweights—Otto Stifel, 1 pound.

Rockaway, show, 1 to 10. Otto Stifel, show, 4 to 5. Judge, show, 2 to 5.

Time, 1:11 1/2. Winner—Ch. f, by Racine—Aurelia II. (trained by W. Murray).

Went to post at 2:58. At post 1 minute. Start good. Won driving; second the same. Jennie Hughes followed the pacemaker closely to the stretch, where she got home by a narrow margin, winning a lucky race. Mountebank, on the inside and right on the heels of the leaders from the start in spite of a close stretch turn, was losing ground at the critical moment and finally came with a belated rush at the end. Planet but for boring out in the stretch run would probably have won, showed superior speed and stamina and is worth remembering. Velma Clark had a rough journey and finished running faster than everything. Atwood, after getting away poorly, was steadily closing up ground. Rene, nearly left, closed a big gap. Tom Kingsley got away poorly and was never dangerous but looks well physically.

Jennie Hughes, show, 3 to 2. Mountebank, show, 1 to 2. Planet, show, 6 to 5. Atwood, show, 3 to 5.

Went to post at 3:21. At post 4 minutes. Start straggling. Won driving; second easily. Arthur Ray, skillfully handled and reserved on the outside, always had clear sailing and when called on finished with a rush and was best. Expedient, suddenly improved, trailed the field for nearly six furlongs and finished with his customary cyclonic speed, is very good and should win at once. Dotterel, badly handled and repeatedly interfered with, ran a game and improving third. Lunar had no mishaps but failed to stay in the closing drive and swerved all over the course. Elfonse ran as if short but showed fine speed and has worked well. El Oriente got away badly and had no chance. Cougar must have mud and fails to stay on a hard track.

Scratched—43263 Diderot, 107; 43274 Caronal, 99; 43223 Pat Morrissey, 99; 43343 Tonopah, 99; 43261 Lapidus, 94.

Time, 2:39, 48 1/2, 1:13 1/2, 1:20. Winner—Br. c, by Reggy—Virginia Dene, by Apache (trained by D. Stone).

Went to post at 3:51. At post 1 minute. Start good. Won easily; second driving. San Nicholas is in rare form and forced a terrific pace throughout, coming away fast in the last sixteenth and was easily best. Iredeus ran lapped on the winner for six furlongs before he succumbed and then gamely stood off the fast coming Dolly Hayman in the closing drive and ran a high-class race. Dolly Hayman, after getting away in the lead, was

gradually outrun, but never very far away. Her light weight told in the stretch run, where she closed a big gap. Kenilworth was outrun by the leaders and outstayed for third place at the end after a fast and game effort, but was conceding too much weight. J. H. Bennett is worth remembering among slower ones, held a forward position for five furlongs and may have been short.

San Nicholas, show, 1 to 4. Iredeus, show, out. Dolly Hayman, show, 2 to 5. Kenilworth, show, out.

Time, 2:5, 49 1/2, 1:15, 1:41 1/2. Winner—Ch. f, by Prince Rudolph—Accident (trained by H. Glover).

Went to post at 4:14. At post 1 minute. Start bad. Won driving; second easily. Red Cross Nurse got away running and gained a long lead at the start, after which she rated along comfortably winning all the way and finished with something in reserve. Avenger ran throughout in close attendance on the winner and lapped on her through the entire last quarter, but could never quite get up. Ebony received a poor send-off, and after running up into a contending position failed to stay and is evidently best in mud. Cheny closed up in the stretch run and ran a very fair race. Instructor, after going a prominent six furlongs, quit all over and his race was far below the mark. Thank Haven was far outclassed.

Scratched—43294 Celebrant, 103.

## ASCOT PARK FORM CHART—CONTINUED.

Went to post at 2:02. At post 2 minutes. Start good. Won easily; second handily. Labor was much the best. Knapp waited with him, saving ground all the way and, coming through on the inside near the last furlong post, won going away. Mac Ana got away flat-footed and Buxton gave him a poor ride, flopping about in the saddle all the way. Egg Nogg ran to his form. Pirato can be marked for early action. He showed a high turn of speed, but tired and was short. Mainspring will improve by this race. Frierliene showed early speed.

Labor, show, out. Mac Ana, show, 1 to 2. Egg Nogg, show, 6 to 5.

Went to post at 2:31. At post 1 minute. Start good. Won easily; second driving. Knapp kept Chub under restraint, allowing Dr. Shorb and Fortunatus to set the pace, but moved up gradually and by the time they were straightened for home had the field in difficulties. From there on it was only a canter for him. Fortunatus had no mishaps unless that it was that Walsh made too much early use of him. He stood a hard drive for a quarter of a mile gamely, outstaying Dr. Shorb. The latter is a fairly good horse himself, but grew leg weary and faltered badly in the last sixteenth. Moor was always outrun.
